

RENT A QTH - SI9AM

King Chulalongkorn Memorial Amateur Radio Society in Ragunda, Sweden

To offer radio amateurs the possibility to gain contact with other radio amateurs around the world using the special call **SI9AM**, we have built up a Visiting Amateur Radio Station in Utanede

Our QTH is located about 200 meters from the Thai Pavilion in Utanede. Accommodation can be arranged in the same building (Holmstagården) at a low cost. Here you can also find a summer restaurant.

RADIO EQUIPMENT

- YAESU FT-1000MP with PA ACOM 1000
- ICOM IC-751
- Yagi antennas for 10-15-20-40 m, dipole antennas for 12-17-30-80-160 m
- YAESU FT-225RD, allmode VHF transceiver with vertical antenna

LOGGING PROGRAMS

DX4WIN, TR LOG and HAM-LOG.

INTERNET

The computers have internet access.

WHERE DO YOU FIND US

Utanede a small village about 30
Kilometres southeast of Hammarstrand
80 Kilometres northwest of Sundsvall
120 Kilometres east of Östersund
450 Kilometres north of Stockholm
